Republican Convention 1988

George Bush's march to the White House began only 80 miles from the Pearl River campus, with the Republican National Convention in New Orleans Aug. 15-18.

Bush and running mate Dan Quayle cruised to victory over Democratic opponent Michael Dukakis and his vice-presidential nominee George Bensten.

The Republicans won the electorial vote race handily, gathering 426 to 112. They also got 47,946,422 popular votes to the Democrat's 41,016,429.

In Mississippi 58.4 percent of the state's estimated 1.59 million voters (932,000) turned out for the election. Bush and Quayle got 60 percent of the popular vote with 552,879. Dukakis and Bensten got 362,298, 39 percent.

In the Senate race Republican Trent Lott got 54 percent of the vote to take the victory over Democrat Wayne Dowdy.

According to information released at the convention, the Republican Party spent $9,200,000 on the event, which was held at the Louisiana Superdome. The funding came from the Federal Elections Commission, which gave equal sums to both parties for their conventions.

The Convention was expected to draw as many as 45,000 visitors, 15,000 media personnel, 2,277 delegates and an equal number of alternates to the city, which had to chip in with $6 million to cover the cost of leasing the Dome, providing security and other services.

Equipment for the event included 4,000 telephones, 175 miles of cable, 1.2 million pounds of scaffolding, and 150,000 nuts and bolts.

Homecoming celebration ruled a success

No matter how you measure it Pearl River's 1988 Homecoming celebration was a success.

"I thought it was fantastic," Donna Wilson, director of the Development Foundation and Alumni Affairs office, said. "I thought it was the most successful we've ever had."

She said 425 alumni were on hand at the annual luncheon in the M.R. White Coliseum, 55 more than 1987's total, adding that all of the comments she received about the festivities were favorable.

Pearl River County received the award for having the most people in attendance with 112.

And Howard Willoughby of Cedar Grove was named the Alumni of the Year, while Herchel and Ruby Bullock of Bakersfield, Ca., received an award for traveling the farthest, 1,960 miles.

Sherrie Campbell of Purvis reigned as queen during the game, while her court included sophomore maids April Austin, Angela Haddox and Jennifer Hyatt, freshman maids Beverly Cagins, Sherri Carver and Mary Henry, and football maids Leigh Morris and Karen Irvin.

Phi Beta Lambda, a business society, took first place in the campus display contest, and VICA took second.

Other clubs participating in the contest included the Afro-American Cultural Society, Baptist Student Union, Delta Psi Omega, Mississippi Student Nurses Association, Phi Theta Kappa, PRC Cheerleaders, Cosmo, Forrest County Respiratory Therapy, DECA and the Wesley Foundation.

Extravaganza worth the planning

Seven months of planning and preparation paid off for Pearl River Community College's Development Foundation, as 350 people were on hand for The River Extravaganza at the end of the spring '88 semester.

"We were very pleased with the turnout," said Donna Wilson, executive director of the development foundation, which sponsored the fund-raising event.

Committee members sold 365 tickets for the Extravaganza which featured entertainment by Jerry Clower, music by local band Dealer's Choice, a food fest and an auction.

Wilson explained that as this was the school's pioneer effort at this type of fund-raiser, many local residents did not know what to expect.

"Not knowing what it was," she said, "people waited until the last minute to buy their advanced tickets."

She added that those who purchased tickets will be sent written invitations before tickets go on sale to the general public for future Extravaganzas.

Wilson said she used the same approach during her two years as foundation director at Southeastern Louisiana University, which has been hosting a similar fund-raising activity for the past four years.

She added that based on the comments her office has received from those who attended The Extravaganza, the foundation should have little trouble reaching future attendance goals.

"Most of the people were here initially because they wanted to help the college," she said. "Now people also know The Extravaganza means good food and a good time.

"This kind of thing is fun for the people involved," she said.

Lisa Henley, a marketing major from Carriere and one of the student workers who helped put the project together, said, "I was really impressed with it. I know the people really enjoyed the food," she added.

Nine area restaurants, along with employees from the school's cafeteria, participated in this year's food fest, and Wilson said she hopes the food fest will become The Extravaganza's main attraction, with as many as 15 participating restaurants.

She also anticipates the auction continuing to play a major role in future Extravaganzas.

The auction went even better than planned, with auction items generating as much as 60 percent of retail value, while Extravaganza planners were told they could only expect to get between 40 and 50 percent of retail value.

Wilson said she was surprised that many of the smaller-ticket items did not go over as well as the more expensive ones.

"I'm looking forward to next year," Henley said.

***These ladies** face a difficult decision choosing from the many dishes available for tasting at the food fest. Local restaurants prepared everything from baked beans and barbeque, to spicy Cajun seafood dishes and strips of steak.*

Outstanding

Margaret LaCavera of Carriere and Dr. James Barnes, chairman of the science department, were selected to represent PRC at the Higher Education Appreciation Day - Working for Academic Excellence Program for 1989. LaCavera was named PRC's "Outstanding Student," and Barnes was named "Outstanding Teacher."

Graduation '88 - A night of firsts

It was a night of firsts at Pearl River Community College's graduation ceremony at the close of the spring 1988 semester.

Not only did the school set a new high with 495 students receiving diplomas or certificates of achievement, it also broke with tradition in having not one, but three commencement speakers.

The speakers were all PRC students, chosen by committee as worthy representatives of their study areas. Shannon Denise Cagle, a business major from Hattiesburg, represented the academic curriculums, while Rochelle Lyn Ledbetter, a medical office technology major from Purvis, was the representative of the technical programs, and Loretta C. Herrin, a nursing major from Sumrall, represented the vocational department.

PRC President Dr. T.J. Alexander said the school had chosen to deviate from the ordinary course of similar events so those who had been able to actually enjoy the opportunities provided by PRC could speak about their experiences.

He said it is important to give students a chance to voice their views, as they are the sole reason for the school's existence.

Cagle, who graduated from Sumrall High School as the salutatorian in 1986, told the audience that, "God gave each one of us here today the potential to be individually special, and it's up to us as individuals to fulfill that potential."

She added that the guidance she received at PRC, both academically and personally, helped her develop her own talents.

Cagle, who held the Elks Club, Lamar County Alumni Association, RiverRoad and Pearl River Singers scholarships, said her stay at PRC represented a move for independence, in that she was away from home for the first time, living in a dorm with 144 other women.

In addition to graduating with a 4.0 average, Cage was a member of the Phi Theta Kappa honor society, RiverRoad showchoir, Pearl River Singers, and String of Pearls dance team. She was also nominated to Who's Who Among American College Students 1987-88 and for the National Collegiate Business Merit Award 1987-88.

Ledbetter told the assembly that upon her graduation in 1986 as Purvis High School's salutatorian, she was looking for junior college training in an interesting career field.

"I found that PRC had what I wanted," she said. "It offered quality education for a reasonable cost and taught skills which are high in demand in the working world of today."

Ledbetter, a 4.0 graduate, who held Pearl River Scholastic and Alumni Scholarships, said the low cost and availability of scholarships, help to limit the expense of a college education.

A member of Phi Theta Kappa, the Baptist Student Union and the Pearl River Singers, she added that campus size is another plus. Students remain important individuals, they do not become mere numbers as on larger campuses.

For Herrin, Sunday's ceremony, at which she graduated with a 4.0 grade point average, was the culmination of a dream come true.

"I know you've all heard that life begins at 40 . . . well, it can, and did for me," she said.

She told the group that while she was not a very motivated student at Purvis High School, where she graduated in 1967, and was busy in the following years starting a family, which includes her husband and son, "I held onto my dream; my dream of becoming a nurse."

Just before her 39th birthday she enrolled in the Practical Nursing Program at PRC to make that dream come true.

And while she graduated with a 4.0 Sunday, Herrin said the program was not a snap, and the completion of her program represented a lot of hard work on her part, and a lot of sacrifice by her family. She said there were many times when family inter-action and household chores had to be set aside in favor of school assignments.

"In spite of the fears, the tears, and the frustrations of starting as a student again after so many years," Herrin said, "I would say to you all, it is never too late, if the dream, the desire, and the will is strong enough. If you want it badly enough . . . go for it! Pearl River will always hold a special place in my heart."

'Cats come close to playoff spot in '88

At the start of the 1988-89 season had anyone guaranteed Mike Nelson that his football team would finish the season with a 6-3-1 record Nelson would have probably been one of the happiest men in South Mississippi.

But at the close of the '88 year, it was hard for the fourth-year head football coach at Pearl River Community College not to look back and say "if only."

"A break here or there, and we could have been South Division champs," Nelson said.

The Wildcats entered the ninth week of the season needing to beat Copiah-Lincoln in Wesson to take the South Division Crown and advance to the state playoffs.

When the Wolves ended that playoff route with a 17-7 win over their guest, PRC was forced to pull for Jones in its season ending game with Hinds, as a Bobcat victory would have given the Wildcats second in the South Division race and a playoff spot.

But Hinds scored during the final 20 seconds against Jones, earning a 21-17 win and killing the Wildcat playoff hopes.

"You can call it fate. You can call it what you want to, but the breaks did not go PRC's way," Nelson said.

Getting so close to a playoff spot, which would have been his first as head coach at Pearl River, Nelson said it is hard not to be disappointed.

"Realistically, however, the 'Cats accomplished a great deal this season," he added.

PRC entered the year with only three returning starters, and with a roster that included 41 freshmen.

In spite of that, the 'Cats put together a 2,898-yard season with an offense which was ranked fifth among the state's 14 junior/community colleges. They were ranked first defensively, allowing opponents only 12.9 points per game.

In the aftermath of what many people would consider a successful season, Nelson said it is sometimes hard to remember what the outlook was like going into the year.

"This time last year we were struggling," Nelson said. "We were beating the bushes looking for players."

He added that last year's search resulted in the best recruiting class the Wildcats have had in his tenure as head coach.

Wildcats Go To Booneville

For Pearl River Community College's participants, the 1988 Mississippi Junior College All-Star game in Booneville could not have been much better, according to PRC head coach Mike Nelson, who, along with his Wildcat staff, guided the South squad to a 24-7 victory over the North.

Nelson said he had a good group of players to work with on the South team, the weather was good and about 55 colleges were represented by scouts at the game.

"And it's always good to win," he added.

This is the second trip to the All-star game for Nelson's staff, which was beaten 10-7 by the North in 1986.

Sophomore running back Roland Johnson, who led the 'Cats with 514 rushing yards during this season, led all rushers in the All-Star game with 84 yards on 12 carries.

On defense, Wildcat linebacker Greg Necaise led both teams with 18 tackles. Necaise was also a All-Region selection.

PRC defensive end Anthony Bowie, wingback Louis Gholar and running back, Tony Jurich also got playing time in the game.

Other Wildcats receiving post season honors included defensive tackle Frank Denard Jr., an All-Region and All-State pick; All-State selection offensive guard Jason Dugas; second team All-State members wide receiver Nolan Booker and defensive back Charles Kindred; and Honorable Mention selections defensive backs Chris Bates and David Johnston.

Season closes with eleven signed

Four-year colleges and universities looking for football talent didn't leave much behind for others when they got through examining what PRC had to offer in 1988.

Eleven players from the Wildcat football team signed with four-year schools. While the 'Cats had 13 players sign in 1987, 1988's total was proportionally larger. In 1987 there were 34 sophomores on the Wildcat team and in 1988 there were only 14.

The players that were signed were Nolan Booker, a 5-9, 170-pound wide receiver from Covington, who signed with Langston University in Oklahoma. Lewis Gholar, a 6-1, 200-pound wingback from Prentiss, signed with Savannah State in Georgia. Roland Johnson, a 5-11, 214-pound runningback from Hattiesburg, signed with Troy State. Anthony Jurich, a 5-9, 200-pound runningback from Picayune, signed with Evangel College in Springfield, Mo. Charles Kindred, a 5-10, 170-pound defensive back from Brooklyn, signed with Southern Methodist University. Greg Necaise, a 6-1, 225-pound linebacker from Bay St. Louis signed with Northwestern Louisiana.

Chris Bates, a 6-2, 187-pound defensive back from Poplarville, Anthony Bowie, a 6-2, 230-pound defensive end from Monroe, LA, and David Johnston, a 5-10, 185-pound defensive back from Picayune have all signed with Oregon Tech.

Brad Greer, a 5-11, 220-pound linebacker from Poplarville, signed with Millsaps College in Jackson. William Earl Harper, a 6-0, 223-pound fullback from Bassfield signed with Langston University.

All these players, no matter how far they go, will be sorely missed by the Coaching staff and players of the Wildcat team.

Wildcats lacked experience

Overcoming inexperience was the key to the Wildcats' successes this season.

Seven players were gone from last season's squad, which posted a 12-10 record overall and an 8-6 South Division record.

Wendell Carter, a 6-5 forward from Atlanta, GA, was the only returning 'cat with any extensive playing time. Last season Carter averaged 14.3 points and 7.5 rebounds per game.

Also returning, but with less playing time, was Scott Waldrop. Waldrop, a 6-2 guard from Oak Grove held one of the starting positions.

Among the players joining the Wildcat team was Andrew Neely. The 6-8 center from Atlanta, GA, was one of the teams key players due to his height.

Raymond Nash, a 6-6 freshman from St. Amant, LA, played at the forward position, while Horace Washington, a 6-3 freshman from Covington, LA, and Terry Williams, a 6-4 Freshman from Picayune shared time at the guard spot opposite Waldrop.

In addition, Micheal Boutee, a 5-9 freshman from Church Point, LA, Rico Foxworth, a 6-1 freshman from Columbia, and Charles Kindred, a 5-11 sophomore from Brooklyn, saw time at the guard spots.

Despite the lack of maturity, however, coach Peter Georgian said he was excited about the season.

"I think if we gain enough experience we can push for a Division title," said Georgian, adding that this year's team has plenty of depth and good attitude.

In the past two seasons since he has been here, Georgian said the team has had six to seven people who could play. This year he will have as many as nine who could hold their own as starters.

He also said the team had worked hard in the preseason to get ready for the year.

Lady 'Cats Aim for the Top

The 1988-89 Lady Wildcats started the season off with high hopes. These high hopes were affirmed by the 20-9 record of the 1987 season.

Among the players returning to the Lady 'Cat team was the 6-2 center from Picayune, Antrice McGill. Last season McGill averaged 22.2 points and 7.8 rebounds for Pearl River Community College and was named to the All-State and All-Region teams.

Mary "Cocoa" Henry, a 5-6 guard from Poplarville, was another returning player. During last season she averaged 12 points and almost six rebounds per game.

Mary Arvel, a 5-6 guard from Donaldsonville, LA, was a reserve player for the team last year, but got a good bit of playing time.

Suzanne Smith, a 5-6 guard from Oak Grove, also returned to the Wildcat team.

In addition to the returning players Lady Wildcat Head Coach Polly Kirkland said that she had some fine young freshmen coming in to fill the gaps left by last year's sophomores.

Edith Pedecleaux, a 5-11 forward from Donaldsonville, and Charzis Silas, a 5-11 forward from Hattiesburg, were freshman starters for the team.

The extra help and the over-all team experience came in handy against what Kirkland called a much tougher schedule.

"This year we've tried purposely to toughen up the schedule," said Kirkland. "To be the best, you've got to play the best."

She said against this schedule her team which averaged almost 78 points per game last year, would have to play stingier defense.

On offense, she said, the Lady Wildcats will try to use their good team height to their advantage on the inside.

"We will be taking the ball inside a lot," Kirkland said. "We will break when we can, but we won't just run and gun. If we don't out-number them we'll slow it up and set up our offense."

Coaches have similar views on seasons

Though their records were much different, the coaches for both Pearl River Community College's basketball team's had much the same feelings about their season's outcomes.

Both were disappointed their records did not turn out better, but they were pleased with the performance of their players.

For the Lady Wildcats, who posted a 15-12 record, the season did not end nearly as well as expected. The squad was picked as one of the top teams in the state by pre-season polls, but was eliminated from post season play by East Central 95-77 in the first frame of the South Division Tournament.

Peter Georgian, coach of the men's team, knew that his squad faced a tough year with only two players returning from last season, but things were even worse, with discipline problems and injuries playing havoc with the roster, and leaving the 'Cats with only six players on the team at the end of the year, which endowed with a 95-54 loss to Southwest, leaving them with a 6-23 record overall and 1-11 mark in the division.

But Georgian said those numbers tell little of the story.

He said he was pleased with the efforts of those players who stuck it out, expecially walk-ons Larry Acker and Mark Stringer, who were able to contribute to the team more than expected.

"I don't see their dedication, effort and attitude to play with others for the good of the team reflected in our record," Georgian said. "I also don't see their sweat and personal victories."

"The six guys we ended up with in the playoffs at Perkingston were all dedicated, unselfish, and devoted to Pearl River Community College and our team," he said. "This is the record I carry away from the season."

Polly Kirkland, coach of the women's team, said little could have been done to change the outcome of her squad's early loss.

East Central shot 80 percent from the floor in the game.

"When somebody's that hot, it's tough to win," Kirkland said.

When they make them falling down, there's not much you can do about it," she said of the Lady Warriors' ability to sink shots even when being fouled.

She said she was happy with the team's effort in the game, however.

Antrice McGill, the team's leading scorer, was able to score 26 points and pull down 10 rebounds despite being hampered by torn ligaments in her right ankle.

Wildcat Baseball

Wildcat Baseball Coach Jim Nightengale

Wildcats start season strong

Last Season the Pearl River Community College baseball team made a pretty good showing, and head coach Jim Nightengale said the ingredients were there for the Wildcats to do even better during his second year at the helm.

In 1988 the Wildcats put together a 25-13 record, going all the way to the Region 23 tournament, and this year the line-up included as many as seven starters from that group.

"That's why I feel a little more confident in the close ball games," Nightengale said.

While having experienced players is always important, Nightengale said it is especially important in the community college ranks.

"The first year they are trying to feel their way through it," he said, pointing out that for many players it is their first time away from home, and they are having to adjust to a new baseball program.

But the experience of going to the playoffs last season gave the 'Cats an added boost this spring. "I'm hoping that among those returning this season was Jay Artigues of Bay St. Louis, who started at second base. As a freshman Artigues led the team with a .414 average and 18 stolen bases.

Nightengale said that Artiguez' team-leading 37 walks last season is another indication of his importance to the squad's offense, which was a powerful weapon.

As a team the 'Cats hit .342 and scored 342 runs.

Mike Weems of Bay St. Louis provided the power of his catching abilities. Last season Weems was tied for the team lead with six homeruns and was second in RBIs with 31.

"We've got some people who can swing the bat," Nightengale said. Last season the 'Cats had trouble putting opponents away in the late innings.

This spring he counted on Bobby Jackson of Old Town, Minn. and Jesse Logan of Bay St. Louis to be his stoppers.

He added that Jackson was probably his best all-around, capable of playing almost any defensive position. He also hit .346 last season.

The addition of Jimmy Agent, an all-state player from Oak Grove, and Todd Bergeron, an all-district player from Central High School of Baton Rouge.

On defense, Brian Laneaux of Bay St. Louis and Ty Henery of Baton Rouge shared time at first base, Jimmy Miller of Purvis shared time at third with Jackson.

Freshman Martin Poche of Baton Rouge started at shortstop to round out the infield.

When not pitching, Jesse Logan helped Devan Mohr, of Hattiesburg, with duties in right field. Ben Jones of Gary, Ind. was the starter in center field, and Paul Powell of Petal, a .320 hitter last year, started in left field.

Todd Bergeron mows the grass at the Wildcat Diamond.

Pearl River College's

Former Athletes Honored

The 1988 Pearl River Community College Homecoming will be remembered for several things - among those will be the induction of the first Pearl River College Hall of Fame members.

The eight charter members of the newly-formed PRC Sports Hall of Fame were inducted at the October 22 homecoming game.

The inductees were former PRC coaches Edwin "Goat" Hale and T.D. "Dobie" Holden, 1926 quarterback Jack Read of Picayune, 1948-'49 quarterback Frank Branch of Pascagoula, 1953-'54 tackle Forrest Ball of Columbia, 1955-'57 basketball star Larry Ladner of Hattiesburg, 1969-'70 running back Willie Heidleburg of Jackson and 1976-'78 Lady Wildcat Basketball player Toni Byrd of Bay St. Louis.

After the halftime performance by the Spirit of the River, Donna Wilson, director of the Development Foundation/Alumni Affairs Office, and Dr. John Grant, physic instructor at PRC, inducted eight charter members into PRC's first Sports Hall of Fame.

In order to become a member of the Hall of Fame a person must be voted in unanimously by the Hall of Fame Committee.

Toni Byrd was happy she was picked, saying, "It's a great honor." Byrd added, "I guess someone thought enough of my abilities while I was here and wanted to recognize women's sports, so they picked me."

The oldest living member of the Hall of Fame is Jack Read of Picayune. Read was also recognized as the oldest alumni at the alumni luncheon.

"It's quite an honor to be selected for something for the first time," said Read. He added, "I was really surprised when I was told that I had been selected." While Read was quarterback at PRC, he led the Wildcats to a 6-1 mark.

The newest football star to be included in the Hall of Fame was Willie Heidelburg, now a teacher at Jackson Murrah High School. Heidelburg holds the record for the most yards gained in a season, at PRC, at 910.

"I don't know why I was selected but it's quite an honor," said Heidelburg at the homecoming induction ceremonies.

***These very** busy and efficient secretaries took a precious moment to have their picture taken. Above is Diana Whisnant of Dr. Lott's office. Upper right is Janis Williams, who works for PRCC President, Dr. Ted Alexander. Below is (L to R) Tina Simoneaux, Krista Wade, Karen Barron, Shirley Stokeman and Patsy Howard of the Business Office. Right is Gail Catoire and Sarah Malley of the Development Foundation Alumni office.*

Top Left, *is Rose Lott, accounts payable clerk.* ***Top Right*** *is Joan Brown, Secretary to Dr. James Jones.* ***Bottom Left*** *is Maria Lewis and Cynthia Hornsby of the Vocational/Technical office.* ***Bottom Right*** *is Nancy Cook and Shirley Daniels, both work in the Financial Aid office.*

The Cafeteria Staff

Seated left to right: Mary Graham, Jean McDonald, Annie Fowler, Mamie Nixon, David Bowden, David Whisnant, Gloria Bonadonna, Mary Wallace. Standing: LeRoy Nix, Elbert Hart, Olivia Benden, Earnestine Bowden, Murlene Fairley, J.W. Fowlen, Levi Nix, Pauline Seals, Lorena O'Quinn, Lorraine Wiley.

The Grill Staff

Left to right: Joyce Wiley, Annie Travis, Rhonda Byrd, Marilyn Houston, Chip Taylor.

Campus Security

Standing left to right: Troy Smith, Charles Kindja, Lewis Smith, John Robbinson.

Amy Bridgers
Research Administration

Maintenance Department

L-R Joe Polk, Ray Lee, Hilton Hernden, Webster Ladner, and Ken Pertuit.

Not Pictured are: Rusty Smith, Cecil Wheat, and Jack Davis.

Chad Pittman pleads his case.

Julia Ferguson helps a student with an essay.

Shawn Walker is absorbed in his Biology project.

Jim Nightengale seems to be lost in thought.

Mike Knippers talks to his Speech class.

Martha Brown shows a sweater to a group of students.

Jeanne Dyar waits for the next student who needs some library assistance.

Dr. Chuck Dauenhauer looks for a good article to read.

Coach Harvey Seligman looks on as Jason Hathorn gets some cookies during the February blood drive.

Holiday Spirit at The River

Mrs. Barbara Alexander, *left, greets Mrs. Kathryn Moody at a reception held for members of the Board of Trustees and other guests.*

Walter Cartier *(left), Terry Randolph and Macon Holliman joke around at the reception.*

These guests *wait to serve themselves at the Foundation faculty and staff party, which was one of several held around campus prior to the holiday break.*

(Photos by James Stewart)

***Members of** the faculty and staff (above) sample the treats served at the Christmas party hosted by the Development Foundation.*

***Ann Morris** finds a spot to rest as she enjoys her lunch.*

***Dr. Mark Malone** (below) pours himself a cup of punch.*

***Dr. Ted Alexander** (at right) chats with Thomas Blakeney at an open house at the president's home.*

NURSES COLLECT 124 PINTS OF BLOOD

The Mississippi Association of Student Nurses' blood drive, held in Marion Hall lobby, February 1, collected 124 pints of blood for use in Mississippi hospitals.

"The blood drive was a great success," said Sandra Stringer, reporter for MASN.

Out of 145 donors, 124 pints of blood were collected. The collection exceeded the clubs goal of 120 pints.

20 MASN students and faculty members assisted the Mississippi Blood Services Inc. with the blood drive.

"Although I observed some apprehensive faces, all in all it was fun, thanks to all the brave students who donated and to those who helped," said Stringer.

A raffle was also held for a two pound box of Russell Stover valentine candy, donated by the Pearl River Drug Company in Poplarville. Diana Whisnant, of Poplarville, was the winner of the raffle.
